Are you doing any type of community engagement at this time?

No update at this time. Your project update for June-July looked good. Thanks Mary.

Robert,  
Can you provide an update on outreach and communications activities with regard to the CFAC project? I did hear from Mike that an EPA public meeting would not occur until fall at the earliest. I look forward to hearing from you.  
Kind regards,  
Mary

Robert,  
I thought I'd check in regarding the public meeting to see if you are moving toward setting the date. Also, is there a preliminary report from the assessment work I can review at this time?  
Many thanks,  
Mary
